Israel's Energix to buy \$120 mln of solar panels from First Solar

1 MIN READ

JERUSALEM, May 16 (Reuters) -

- * Israel's Energix Renewable Energies said it will purchase \$120 million of solar panels from U.S.-based First Solar.
- * The deal will help advance Energix's plans to build photovoltaic (PV) projects in Israel and the United States, the company said.
- * Energix said it will pay a \$5 million downpayment followed by a further \$60 million in the second half of 2019. (Reporting by Ari Rabinovitch)
