will get a tumultuous welcome.

SUNDAY ^{night} MAY 15 preferred.

This is a good one.

Ken,

Just another reminder about the May 15 date when AIPAC's Policy Conference is being held here in Washington with approximately 2000 in attendance. Some significant members of the Jewish Community thought it would be great if the President could put it on his calendar to address the Conference.

Apparently he has never talked to them specifically, and this would be the last year for this one also.
