FOIA #f-2009-00358

Dear Delores M. Nelson,

On January 7, 2009 the IRmep requested CIA files pertaining to financing and development of the Israeli nuclear weapons arsenal under the Freedom of Information Act. On February 5, 2009 we made a follow-up inquiry after receiving no confirmation of our request. On February 21, 2009 the CIA acknowledged our request and assigned it #f-2009-00358.

We would like to receive an update about what unreleased information is being reviewed for possible declassification and release, as well as an approximate time frame for sending to the IRmep.

Sincerely,

Grant F. Smith
Director of Research
