Dear Mr. Smith:

This is the first response to the above-referenced Freedom of Information Act (FOIA) request to the Department of the Treasury (Treasury). The request asked for a list of Treasury Department employee names, job titles, Departments, and phone numbers.

In accordance with the parties' agreed upon schedule, as memorialized in the December 19, 2017 Joint Status Report and Motion to Stay Proceedings, this constitutes Treasury's first production in this case. We are releasing employee information current as of the date of the FOIA request (April 24, 2012), per your email to Rhonda Campbell dated December 4, 2017. The phone numbers listed, however, are current.

We are releasing 156 pages of records in part, with redactions pursuant to FOIA Exemption (b)(6). The production is numbered UST-00000001 – 00000156. This constitutes the employee list for the Bureau of Engraving and Printing.

If you have any questions, please contact Rhonda Campbell in the Department of Justice at 202-252-2559 or by email at Rhonda.Campbell@usdoj.gov

Sincerely,

Richard S. Dodson

Richard S. Dodson
Attorney-Advisor
Office of the General Counsel
U.S. Department of the Treasury

Enclosure
